

**Fully cooked
frozen products**

Welcome to Marnevall

We invite you to learn more about us. Since the very beginning, Marnevall has always been an independent Hungarian company specialized in the production and sale of frozen breaded, fully cooked, ready-to-eat meat and vegetarian products.

The success of the company is also largely due to the **highly qualified people** in the firm and the carefully selected **quality of the raw materials**.

It is significant for us to act as a conscious company on the market which can provide an example for our partners, customers and competitor as well. **Our company's goals based on the optional price-value ratio, innovation, forward-looking product solution, food safety and environmentally conscious production.**

For many years, our plants have **fully automatized** state-of-the-art production lines, producing our products in large quantities. Our company insist on producing at **the highest European quality standards**.

Marnevall is a market leader company in the Hungarian food industry with a presence in more than 15 countries worldwide.

Partnerships are based on mutual benefits are very important for us. **We are dedicated to keep on growing with new products, brands, machines and unfailing passion.**

Product groups

Kentucky Style Pops, Wings, Strips

Our Kentucky - style product range are made from premium quality, highly selected raw materials. Their unmistakable flavor is based on unique, strong spicy coat, which gives a rustic look to our popular food.

Breaded Cheese Pops, Doughnut, Breaded Cheese

Our cheese based products have high popularity. The high cheese content, the aesthetics and the special appearance characterize these products.

Filled Products

Our filled products are made by the perfect balance of tasty turkey/chicken and soft cheese or bolognese sauce which produced with a more effective REVO former technology. The following products can be find on the picture: Chicken medallion filled with Cheese, Chicken Kiev, Chicken medallion with Cheese on top, Chicken medallion filled with Bolognese and Cordon Bleu.

Tempura Nuggets, Dippers, Pops

The tempura nuggets, dippers and pops are a real rarity, thanks to the extra crunchy dough coating, which proved by the many years of experience of our specialists, and ensure us the excellent quality and the unique taste harmony.

Vegaballs

Innovations

Our company plays a leading role on the market of quick-frozen meat products in Hungary, we want to maintain this position in the future. Accordingly, the brand strives to innovate from time to time, to flexibly follow changes on the market.

Among the innovations, it can be highlighted that Marnevall was the first in Hungary to introduce the kentucky - style, nonhuman flour-based breading technology in large-scale conditions. Among our innovations we would like to introduce the vegaballs and doughnuts. There is a great interest in both products.

Doughnuts

Package variations

We know that it is not sufficient to produce high-quality products on their own. To be distinguished from the masses of the stores shelves, they must be attractive.

Therefore, besides the production, we also pay special attention to the design of our packaging. We would like to introduce you the available and recommended packages.

Available

Bag

Traditional, cost-effective packaging solution is popular among low and mid-range products

Bucket

Innovative, distinctive and unique packaging solution. Our company is able to produce the bucket with its own equipment, so we can react with high flexibility to the needs of our partners.
